

Cornelia Constanza 2023, A.O.C. Châteauneuf-du-Pape

Vin issu de l'agriculture biologique FR-BIO-01 – Organic Wine

Vin biodynamique certifié Demeter

Blend

The grapes come from the oldest vineyard of the Domaine de la Solitude planted by my great-grandfather at the beginning of the last century. It is located on the western slope of Crau on a terroir of safre. Planted mainly with centennial Grenache this plot gives exceptional maturities

- 100% black Grenache

This great Terroir is always vinified separately but only the great years, 5 vintages of the last 10 the Cornelia Constanza is bottled.

Winemaking and aging

Harvesting is done by hand in 25 kg crates. After a double selection of the best grapes in the vineyard and on the sorting table, the grapes are vinified in whole bunches in a concrete tank. The macerations are very long with a minimum of intervention to keep all the aromatic purity of the grapes. This wine is age for, 40% in foudre, 30% in barrels and 30% in concrete vat for 15 months. The wine is bottled without fining or filtration.

The vintage 2023

Yield : 25 hectoliters /hectare ; Total production : 3000 bottles, 70 magnums.

Tasting notes

Elegant and refined wine, tannic while remaining velvety. Expressive nose of gooseberry, Garrigues and milk chocolate. Palate perfectly expressing the purity of the grape variety Grenache, on the background of cocoa, cardamom and Sichuan pepper.

Food pairing

This wine, still in its youth, will be paired with red meats such as a nice, slightly matured beef but also, for example, a lamb tajine with apricots, duck breast with cherries, then with a dozen years a Provençal stew.

Recommendations

- To consume from 3 to 20 years.
- Serving temperature: 16-18 °C.

Rewards (vintage 2021)

Jeb Dunnuck 94/100

"One of the vintage's strongest efforts is the 2021 Châteauneuf Du Pape Cornelia Constanza, a 100% Grenache all from the sandy soils near the estate that was brought up mostly in concrete, with 30% each in foudre and new barrels. Gorgeous wild strawberries, redcurrants, peppery herbs, sandalwood, and loamy earth define the aromatics, and it's medium-bodied, has a supple, elegant mouthfeel, and a beautiful finish. It will shine for a solid 8-10 years."

James Suckling 97/100

10 Apr, 2024 – Extremely perfumed, graceful and silky, this is an extremely sensual and beautifully balanced expression of grenache. Full-bodied, but as light as air. I love the floral and creme de cassis aromas. Super-long finish. A grenache-based cuvee, one-third of which was matured in foudre, one-third in new oak and one-third in concrete tanks. From organic grown grapes. Drinkable now, but best from 2025.
